COMMITTEE ON APPROPRIATIONS

July 15, 1953

Dear Sir:

The committee is interested in getting a clear picture of the space utilized by the Federal agencies [redacted] In this regard, the committee has requested the General Services Administration to prepare the information covering those agencies occupying space over which the GSA has authorized jurisdiction. The information contained in the records and reports of the GSA cover general-purpose space and little if any special-purpose space.

Will you kindly furnish, therefore, by July 25, 1953, a tabulation by building similar to the attached format, indicating the space occupied by your agency [redacted] June 30, 1953, exclusive of the space which you reported to the GSA in the semi-annual space report, June 30, 1953, on Standard Form 123.

Sincerely yours,

*Styles Bridges*
